Giving to JESUS by Pastor

The Bible teaches that it is God who gives you the power to get wealth (Deut. 8:18). God told Abraham that He was going to bless him so that he could be a blessing to nations. It is God's will to give you prosperity with a purpose, to make you a blessing to others. I am so glad we worship the living God who wants us to prosper. He gave all things to us to enjoy in Christ. The difference between living in prosperity and living in poverty is a choice. Choices have consequences. God told Israel that He set death and life, blessing and cursing, before them. They had to choose life or death (Deut. 30:19). *It is not by chance that you are blessed; it is by choice.*

Giving is a choice. Jesus said if you give, it will be given back to you according to the way that you give (Luke 6:38). Jesus taught that if you give, you will receive a "four-way gain clause": (1) good measure, (2) pressed down, (3) shaken together, and (4) running over. Nothing multiplied by nothing is nothing. God multiplies seed that is sown. The Bible teaches that he who sows sparingly will also reap sparingly (2 Cor. 9:6). It is a law of harvest. Conversely, if you sow generously, you will reap generously.

We can give only what we have received, we cannot give what we do not have. Basically everything that we have, the very breath we have, our heart that keeps us alive, our families, our health...everything, is a gift from God. We may earn a salary and purchase things, but the job and the education to get a job, *comes to us through the Grace of God.* When you decide to serve God with your whole heart and make Him first in your life, your soul will prosper and your joy and peace will increase.

Giving is not only speaks about money but whole your life basically attitude. It is Easier to give 10% of income rather than our time and life to Him. Jesus seeks giving first priority or to be master of your life. When Jesus walked on earth, He had no bank account or Visa card. Yet, He was rich, lacking nothing. He had whatever He needed for Himself as well as for the people around Him. When they needed healing, He provided it. (Matthew 12:15) When they needed food, He provided it. (Matthew 14:13–21) As long as they had Him, they had whatever they needed.

Likewise, when you have Jesus, you have an anointing within that makes you rich, even though in the natural, when you look at your finances, there may not be much but His favor enough to overflow in our life'. *As a child of the Most High God, your steps are ordered by Him. He has a specific place of blessing prepared for you.* "Give the best to God and not the leftover"

SUPER ABUNDANT SUPPLY IN YOUR LIFE BY JOSEPH PRINCE

Philippians 4:19 And my God shall supply all your need according to His riches in glory by Christ Jesus.

God wants to bless you exceedingly and abundantly above all you can ask or think— He wants you healthy, well provided for and debt-free! I

Are you facing a lack in any area of your life, be it finances, health or relationships? Know that in that very same area, God has already prepared His superabundant supply which will abound toward you, and on top of that, His grace and more of His grace! In John 6:1–13, Jesus was with a large crowd of people who were hungry. The problem then was a lack of food. But Jesus knew that where there is lack, there is superabundant supply in His Father's kingdom to overcome that lack. His disciples, however, did not know that. They did not think the same way as Jesus did. They told Him that there was a boy with five loaves and two small fish, but they did not think that that would amount to anything. They said, "What are the five loaves and two fish among so many?" (John 6:9)

They saw only the problem, the lack. But Jesus took the little, lifted it up as He looked to heaven and gave thanks to His Father, whose supply is so much more than we can ever ask for. When Jesus started distributing the little that was in His hands, a miracle happened. Five thousand men, not counting women and children, ate as much as they wanted and for as long as they were hungry!

The supply kept flowing as long as the need was there. And after they were so filled, there were 12 baskets full of leftovers! That is God's superabundant supply. In God's kingdom, there is no such thing as the Father not having enough or not wanting to give abundantly to His children. No, He promises that He will supply all our needs according to His riches in glory by Christ Jesus!

God wants us to always be conscious of His grace abounding toward us and enveloping us. So let us, like Jesus, acknowledge God's superabundant supply by thanking Him for it and for whatever is in our hands. Let us believe that His superabundant supply will flow and multiply the little that we have, and fill us up to overflowing! When you are demand-oriented, you see everything as a demand placed on you—"I must do this... I must do that ..." The result? You feel stressed and pressurized to perform, meet people's expectations and achieve results. But when you are living under grace, you see the rich supply from God providing whatever you need for your situation despite the demands.

You walk in peace and always see God's provision because your eyes are focused on His unfailing supply. As we deal with life on a day-by-day basis, we can be demand-oriented or supply-oriented. When you're supply-oriented, you'll see God work miracles in your life.

My friend, right in the ordinariness of everyday life, you can receive from the supply that is constantly flowing toward you. Do you need healing today? Do you need wisdom? Peace for a troubled heart? You can receive it right now if you can see His supply all around you, giving you what you need. It doesn't matter where you find yourself. You don't have to wait for the "right" time, place or external circumstances when it comes to asking and receiving from God.

Simply look away from the demand, see His supply and receive by grace what you need. When you realize that it's all about God's love and undeserved favor toward you, you'll be thanking God all the time. Instead of complaining and being stressed out when you are demand-centered, you'll be at rest and have more than enough to give to others.

May you choose to live in the realm of God's constant supply and lavish love!

Cultivating a Lifestyle of Thanksgiving by Crefflo Dollar

Thanksgiving is the language of faith, so the more you thank God, the more you please Him. When you thank God for even the little that you have, He will multiply it.

Your victory over negative circumstances, over illnesses, over painful relationships, over financial lack, is in your thanksgiving! Beloved, telling God “thank You!” because you know that He loves you, will never forsake you, and is working for you behind the scenes, will cause miracles to manifest in your life.

Jesus Himself shows us the power of a thankful heart. In John 11:41—42, before performing one of the greatest miracles of His ministry—raising Lazarus from the dead, Jesus thanked the Father for always hearing His prayers.

1. Give God a sacrifice of praise (Hebrews 13:15).

God wants you to praise Him continually with the fruit of your lips—open your mouth and say, “Thank You, Lord.” Giving thanks will cause you to become enlarged; it will “expand your capacity to receive more.” Cultivation is not automatic or only done when at church. It is purposely doing something every day. Thanksgiving is a key to experiencing *fullness*—“nothing needed and nothing wanted.”

2. Be thankful for what God has given you

The way to receive all that you’ve prayed for is to continually give thanks—it causes you to remain spiritually aligned with God. Enter into God’s presence with thanksgiving. Give thanks for what you have instead of complaining about what you don’t have. Psalm 136:1-3 says to give thanks to God. It is good to give God thanks (Psalm 92:1). Be thankful for the little, and more will come to you.

When you stay on the path of thanksgiving, you will be on the path of light and understanding. An ungrateful heart will push you into darkness and cause what you do have to be taken away (Matthew 13:12).

There is nothing substandard or inferior about what God gives you. Example: Jesus took a boy’s “two-piece fish dinner,” blessed it and gave thanks—and it was multiplied to feed over 5,000 people Thanksgiving

involves remembering what God has done for you and valuing it.

3. Thanksgiving pleases God

More grace is required to see more of anything in your life. Don’t look at what others have; instead, give thanks for what God has done for you. Thanksgiving and praise please God more than any other sacrifice (Psalm 69:30-31). By giving thanks, you are made whole.

Example: When Jesus healed the 10 lepers, only one turned back around and gave thanks. The others were healed, but Jesus told him that he was made whole; there was no longer anything missing or broken in his life (Luke 17:14-19). Give thanks continually for what you have and for what is to come. **Your circumstances should not determine whether or not you give thanks.**

Abraham didn’t consider what things looked like—his old age and Sarah’s barren womb—when he stood on the Word that God had given him (Romans 4:18-20). In the middle of everything that is going on around you, give thanks no matter what the circumstances (1 Thessalonians 5:18, *AMP*).

Giving thanks is God’s will for you. You won’t be able to find His ultimate will for your life until you have cultivated a life of thanksgiving. If you give thanks, you will experience multiplication (Jeremiah 30:19).

Beloved, know that God hears your prayers of thanksgiving and because of Jesus’ finished work on the cross, He’s both so willing and so able to meet your every need!

Jesus Feeds the 5000

Jesus then took the loaves, gave thanks, and distributed to those who were seated as much as they wanted. He did the same with the fish. John 6:11 (NIV)

Pastor Desk!

...in everything give thanks; for this is the will of God in Christ Jesus for you. 1 Thess 5:18

Dear People of God,

As you celebrate this Thanksgiving, we want to extend our sincere thank you for your love and support in 2013. We have been so blessed by your prayers and generous heart. We want to bless and encourage you during this time of giving thanks.

Thanksgiving is vital to expanding your capacity to receive from God. It should not be consigned to just Thanksgiving Day. God is a purposeful Being with a reason for desiring you to give thanks to Him—He desires to create a life of success, victory and fulfillment for you.

In 1 Thessalonians 5, Paul urges the followers of Christ to rejoice always, pray continually and give thanks for this is the will of God in Christ Jesus. The heart of love our Father has for His children is far greater than we could ever comprehend. It delights Him to see us blessed, happy and healthy. Rejoicing, praying and thanksgiving not only bring glory to God but they are for OUR benefit. Position yourself for more to be given!

You are loved unconditionally by the creator of the universe. He delights in you. There is absolutely nothing that can separate you from His love. That is something to be eternally thankful for! Give thanks every day... not just once a year! We pray you and your loved ones will experience afresh the abundant love and grace of our Lord Jesus Christ. May His favor be upon you as you rest in His goodness and provision.

God bless you this Thanksgiving Service!

Your blessing is on the way,

In His Vineyard

Ps. Shalom & fly

Jesus said in Luke 6:38, “Give and it will be given to you. A good measure, pressed down, shaken together and running over, will be poured into your lap. For with the measure you use, it will be measured to you.”

Giving is a biblical principal that when lived by, produces a rich harvest in our lives.

Giving is not limited to simply our finances; it's a lifestyle. When we live with the spirit of giving, when we give the Lord our tithes and our offerings, when we give to those in need, when we give of our time, our love, our resources, we are sowing seeds that God will make sure blossoms into a rich harvest!

Not just of financial blessings, but rich in all aspects of life. He'll make sure the right doors open, the right people come into your life, and the right breaks are received.

God desires for you to be the most blessed and most prosperous in the land, that we prosper in our homes, relationships and in health. Make sure you work with God and allow His door of favor and provision to open like a flood by putting actions to your faith through giving.

we don't give to simply receive. The important thing is that we live with the spirit of giving. God is more concerned with the condition of your heart as you give, rather than the quantity.

It is through our giving where the greatest blessings and provision can be seen.

Do you need a miracle in your life? A Breakthrough? A financial need? Try giving. God says, “Test me in this,” “See if I will not throw open the floodgates of heaven and pour out so much blessings there will not be room enough to store it.” (Malachi 3:10).

Proverbs 3:9–10 “Honor the LORD with your wealth... then your barns will be filled to overflowing, and your vats will brim over with new wine.” Thanks to Him—He desires to create a life of success, victory and fulfillment for you. Position yourself for more to be given!
